

ICMR- National Institute for Research in Reproductive Health

Jehangir Merwanji Street, Parel, Mumbai 400 012

The ICMR-Biomedical Informatics Centre, NIRRH, Mumbai, is organizing a 2-day workshop (26th- 27th February, 2018) on "Network analysis in biology".

The workshop includes theory and hands-on sessions on topics related to network theory, biological networks, databases and tools for network analysis.

Who should apply?

- Faculty from research institutes, research scholars and PhD students.

Interested applicants can fill the online form available at www.bicnirrh.res.in/workshop.php. Sponsoring letter from the head of the institute should be uploaded by the applicants. The last date for receipt of applications is **5th February, 2018**. The list of the selected candidates will be intimated by email on or before **7th February, 2018**. Preference would be given to research scientists, faculty working at ICMR institutes and medical colleges. A maximum of 20 candidates will be selected.

The workshop is fully supported by Indian Council of Medical Research. There is no course fee, however the selected candidates should send a Demand Draft amounting to Rs.2000/- (Rupees Two Thousand only) towards deposit which will be refunded/ returned on successful completion of the course. Deposit is liable to be forfeited in case of cancellation or absenteeism by selected candidate. Demand draft to be made in favour of "Director, NIRRH" payable at Mumbai. The selected candidates will have to make their own arrangements for travel and accommodation (no TA/DA will be provided).
